

# EASTER RETREAT | APRIL 2020

📅 11 AM | 10 APRIL (FRI) - 1130AM | 13 APRIL 2020

➔ 8 AIO WIRA ROAD WAITAKERE, AUCKLAND

## Spiritual Ecology

We should remember that the sky and air, the hills and mountains, the rivers and forests, the wild animals and reptiles, the birds and fishes and all sorts of aquatic creatures and plants are all inseparably related to one another. Human beings are an integral part of that vast common society. No one can survive to the exclusion of others, not even human beings".
